1993

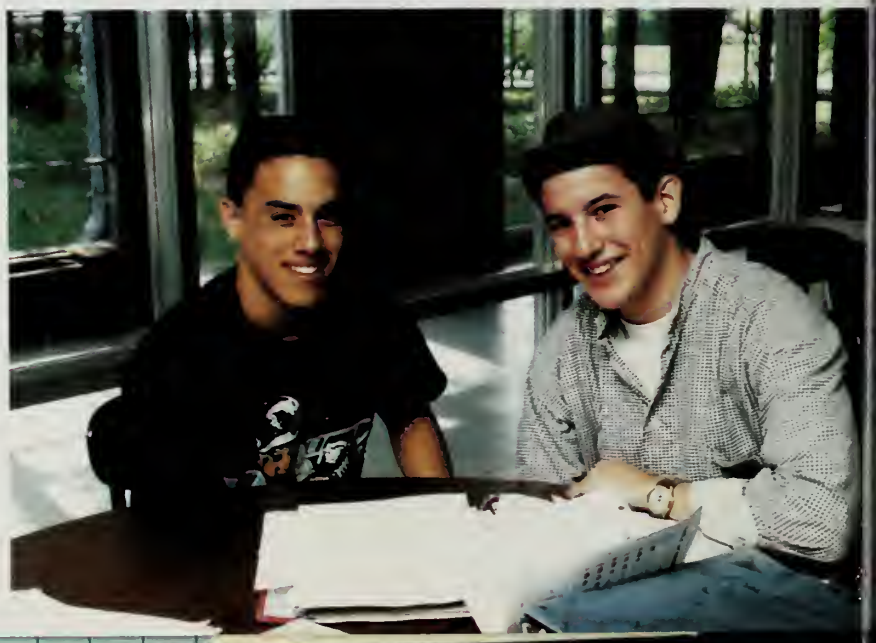
Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!

You have brains in your head.
you have feet in your shoes.
You can steer yourself
any direction you choose.

You're on your own. And you know what you know.
And YOU are the guy who'll decide where to go.

Sharon High School
Library
Sharon, Massachusetts

OH! THE PLACES YOU'LL GO!

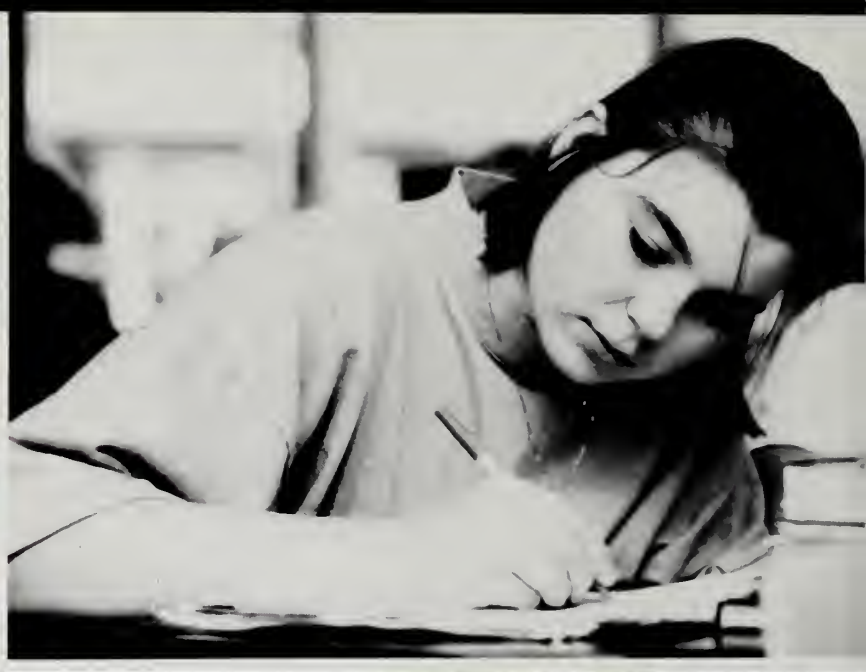


You'll be on your way up!
You'll be seeing great sights!
You'll join the high fliers
Who soar to great heights.

You won't lag behind, because you'll have the speed.
You'll pass the whole gang and you'll soon take the lead.
Wherever you go, you will top all the rest.

Except when you don't
Because sometimes you won't.

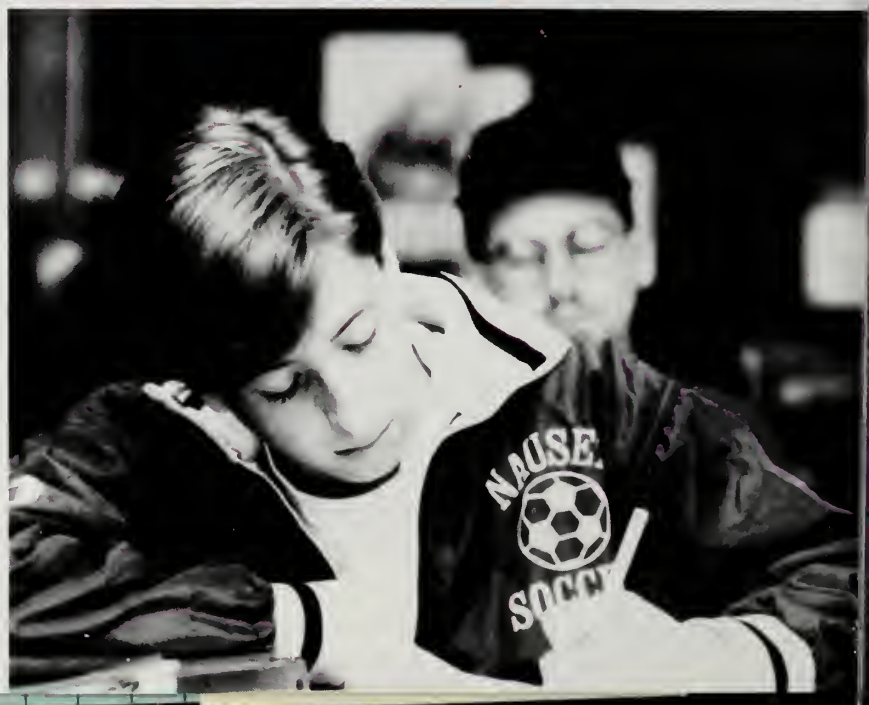
I'm sorry to say so
but, sadly, it's true
that Bang-ups
and Hang-ups
can happen to you.



You can get all hung up
in a prickle-ly perch.
And your gang will fly on.
You'll be left in a Lurch.

You'll come down from the Lurch
with an unpleasant bump.
And the chances are, then,
that you'll be in a Slump.

And when you're in a Slump,
You're not in for much fun.
Un-slumping yourself
is not easily done.



Somehow you'll escape
all that waiting and staying.
You'll find the bright places
where Boom Bands are laying.

With banner flip-flapping,
once more you'll ride high!
Ready for anything under the sky.
Ready because you're that kind of a guy!

Oh, the places you'll go! There is fun to be done!
There are points to be scored. There are games to be won.
And the magical things you can do with the ball
will make you the winning-est winner of all.
Fame! You'll be famous as famous can be,
with the whole wide world watching you win on TV.

Except when they don't.
Because, sometimes, they won't.

I'm afraid that some times
you'll play lonely games too.
Games you can't win
'cause you'll play against you.

A Christmas Carol
FOOLS

It was opening night for our own shining stars . . .
our premier court include Jacqui Finn,
Clara Kinney, Marni Roitfarb and Wendy Tseng.
Our King and Queen, Matt Arkin and Kelly Mason, reflected
the exhilaration that lit up the night.

the prom

But precious memories will
always linger;
memories of tonight:
starlight, stardust and
you.

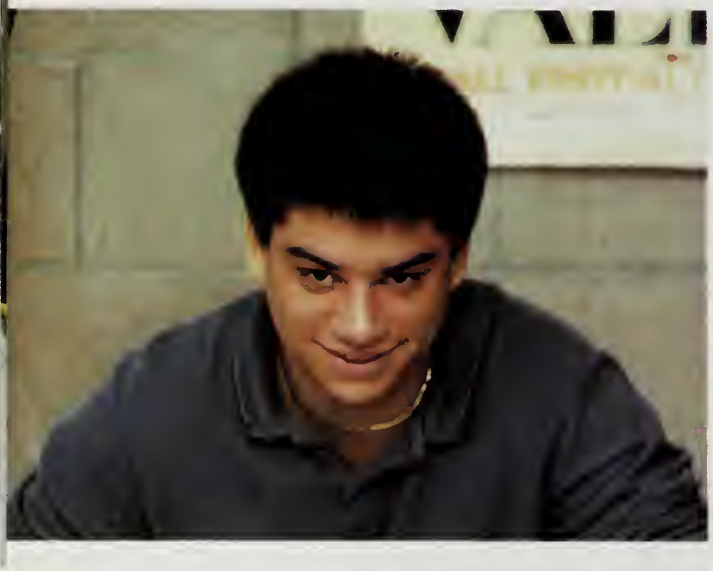
On and on you will hike.
And I know you'll hike far
and face up to your problems
Whatever they are.

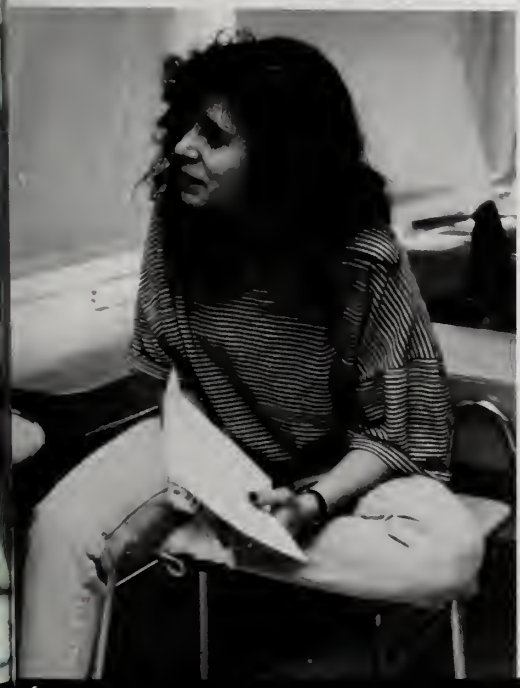
You'll get mixed up, of course,
as you already know.
You'll get mixed up
with many strange birds as you go.
So be sure when you step.
Step with care and great tact
and remember that Life's
a Great Balancing Act.

Just never forget to be dexterous and deft.
And never mix up your right foot with your left.

And will you succeed?
Yes! You will, indeed!
(98 and ¾ percent guaranteed.)

KID, YOU'LL MOVE MOUNTAINS!





So . . .
be your name Buxbaum or Bixby or Bray
or Mordechai Ali Van Allen O'Shea,
you're off to Great Places!
Today is your day!
Your mountain is waiting.

So . . . get on your way!

— Oh, the Places You'll Go!
Dr. Seuss

The sun shone . . . The rains came . . . Leaves fell . . . Snow shrouded the ground . . . The seasons changed quickly . . . and we were Seniors.

And now the ride is over. Though separate, we have all ridden together and now the ride is over. As our new journies bring us away may they lead us together again. And now the ride is over and another is set to begin.

dedication

Youth is not a time of life, it is a state of mind. It is not a matter of ripe cheeks, red lips, supple knees; it is a temper of the will, a quality of the imagination, a vigor of the emotions; it is a freshness of the deep springs of life. Youth means a temperamental predominance of courage over timidity, of the appetite of adventure over the love of ease. Nobody grows old merely by living a number of years; people grow old by deserting their ideals. Years may wrinkle the skin, but to give up enthusiasm wrinkles the soul.

Whether seventy or seventeen there is in every being's heart the love of wonder, the sweet amazement of the stars and starlight, things and thoughts, the undaunted challenge of events, the unfailing child-like appetite for what is next, and the joy and the game of life.

You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair.

In the central place of your heart there is a sensitive station. So long as it receives messages of beauty, hope, cheer, grandeur, courage, and power, from the Earth and from humankind, so long are you young.

appreciation

From trimming the hedges to cheering on the field hockey team, from inventing Construct English to being Master of Mythology, Professor Murray has unfailing dedication to his work and to his students. Both in and out of the classroom, Professor Murray enlivens Sharon High with his contagious enthusiasm. Inside the classroom, he encourages his students to constantly question and to take risks. Outside of the classroom, he never doubts his students' potential to achieve success in all their endeavors. Thank you, Mr. Murray, for being our instructor, our confidante, our support system and above all, our friend.

Unfolding . . .

The voluminous pages of knowledge, undergraduates are faced with the sometimes trying, yet always rewarding, experience of education. They learn to keep an open mind, to question and to answer, to search and to find. Whether a freshman, sophomore, or junior, each is learning, perhaps with difficulty, the value of individuality and, at the same time, the value of unity. Each year, as they uncover histories and sciences, they add to the strong educational foundation with which Sharon High School has provided them.

Only by developing team cooperation and a spirit of fair play have our teams achieved genuine satisfaction as well as success on the field, the track, and the court.

Through perseverence, each team has perfected the skills necessary for reaching victory.

Sharon High School's athletes possess the rare ability to combine talent with effort, integrity with quality, and enthusiasm with determination in order to produce teams which deserve the entire school's pride and support.

The combination of success both in quest of victory and in service of sportsmanship is tribute to the coaches and the athletes of our school.

tennis

Wow!!! They pulled off another season of teamwork, laughter and victory!!! Led by unstoppable captain Vicky Gardos, the girls cruised to a roaring record of 14 wins and only 2 losses. The team shared the Hockomock Championship with North Attleboro, and advanced to the quarterfinals of the South Sectionals. This coming season the girls will rally with the leadership of Captains Gardos, O'Sullivan, Mann, and Bennett. Go team!!

As usual, the boys' tennis team swept the Hockomock league away with their smashing record of 21-1, advancing to the State Finals. Led last year by the superb playing of Captain Andy Lipsky and seniors Greg Nathan, Mike Kritzman, and Doug Wolkon, the team expects a winning season of triumph and glory. With its strong core of captains Matt Arkin, Marc Goldberg, and Geoff Waller, this year's team looks forward to a season of continuing success.

This year, with a large group of enthusiastic seniors, the teams can't go wrong. The boys team include seniors Jon Lehman, Brad MacDonald, John Lloyd, Mike Bickoff, Tim Andrade, Brian Zophin, Jason Saphire, Mike Drobnis, Mike Yutzy, Jason Wallenstein, and Jeremy Levine. Clare Kinney, Lisa Horvitz, Kelly Grigg, Stephanie Sherman, and Sharon Forman will lead the girls team to victory this season.

softball

The spirit of desire and perseverance was evidenced this past year by the Sharon High Girls' Softball Team. Eagerness to win fairly and to exhibit good sportsmanship and teamwork spurred the team toward a rewarding season. The energetic captain Ilana Davidi provided leadership for both the JV and Varsity players. With all of it's returning seniors, the team looks forward to a successful season in '93.

The Golf Team was stocked with Seniors, who in their last year made a great run at a tournament spot. Although the team fell a few wins short, the season was not without many highlights and individual achievements. Wins against Foxboro and Oliver Ames, perennial tournaments contenders, proved Sharon was indeed a formidable opponent. The team was also characterized by "come from behind" wins, sparked by Captain Geoff Waller, who seemed to never lose a 7th, 8th, or 9th hole. Thor VanVaerenwyck, with 12 wins, was the team leader and played well enough to earn his second All-Star honor in as many years. Peter Rosen, team Rookie of the Year, won many matches with sure-handed putts and strong drives. Junior Lettermen Jon Starr, and Mike Ross earned valuable experience which will enable them to lead next years team successfully. The varsity team was rounded out by Matt Slavis and Jared Weiner. The team would not be complete without alternates Jeff Weingast, and Bret Myerson. Mr. Pane's knowledge of golf was a key to the successful play of many of the members. We would like to wish next year's team good luck.

The 1992 season was an extremely successful and exciting one for the Boys' Varsity Soccer Team, under the leadership of Coach Alan Howie. Although their loss to Needham in the semifinals of the southeastern Mass tournament was a tough end to such a memorable season, their record of 14-4-1 is one in which the whole team can take pride. The team also finished second in the Hockomock League. There was an abundance of individual talent out on the field this year, but the comradery and teamwork that the soccer team displayed was the main factor in its success. Captains Larry Silver and Mike Bickoff are to be commended for their ability to lead effectively and keep up the "intensity". We would also like to congratulate the rest of the seniors for their contributions and hard work: Matt Arkin, Todd Waxman, Mike Kingsley, Rafi Blumenthal, Marc Goldberg, Dave Kesselman, and Tim Andrade. Special thanks go to Adam Myers and Mr. Rebello for their assistant coaching. Best of luck to the graduating seniors. This memorable season was certainly a nice way to complete their high school soccer careers.

This year, the girls soccer team finished their sixth consecutive year in the competitive Hockomock League. The up and coming team, under the new coaching expertise of John Medeiros, demonstrated their desire and determination in each of their sixteen games. This intensity was demonstrated on their 0-1 narrow loss against Foxboro in the season opener and their 3-1 win over Stoughton in the final game. The team's players were led and motivated by the six seniors: forwards Clare Kinney, Sharon Forman and Nancy Ross, defender Kristen Sullivan and Goalkeepers Lani Blumenthal and Kelly Grigg. On behalf of the co-captains Clare, Kristen and Kelly, and the rest of the graduating seniors, we wish the team and the "coach" the best of luck for a promising future and a league title.

cross country

The determined boy's cross country team, led by the spirited senior, John Lehman, had a rough season, complicated by many injuries. The team was successful in winning several meets. The strong performances by Josh Levitt, Dan Reichman and Scott Berenson led the team through an energetic running season. Although the seniors are leaving, next year's team looks forward to a promising season.

Girls Cross Country — bottom row left to right: Jacqui Finn, Jeni Oifer, Lisa Horvitz, **Top row:** Jodi Horowitz, Beth Mann, (Co-Captain), Helene Rubin, (Co-Captain), Ashley Villani.

During the 1992 Jamboree at Stoughton High School, the Cross Country team realized the tough road ahead. Despite the lack of many wins, the girls' team kept their spirits high and their feet moving to face their challenging competitors. With the encouragement of coach Norris the team leader, Beth Mann and Helene Rubin, the girls steadily improved. The outstanding performances of Helene Rubin and Ashley Villani brought the team to the state meet. Motivated runners, Lisa Horvitz, Jenny Oifer, Jodi Korowitz and newcomer Jacqui Finn added to the team's exceptional efforts.

With spirit and dedication the Sharon High School field hockey team had an amazing season. The teams record of 1-14-1 does not begin to reveal the tremendous improvement and maturity that was shown by its members this year. The team played some very strong games including the 1-0 victory over Foxboro. Under the excellent leadership of tri-captains Kelly Mason, Kati Gardos, and Sandra O'Sullivan, the teams enthusiasm and unity were high throughout the season. Strong contributions were made by seniors Maggie Nahkla, Kerry Briggs, Allison Kopp, Amy Bourne, Shari Berger, Irene Katz, Rebecca Soffer, Melissa Strassberg, Jen Lurie, and Slava Portnoy.

At the conclusion of the season's last game the seniors, as a sign of the everlasting friendships that were made, were each presented with roses by the underclassmen.

The entire team thanks Coach Decas and Coach Mathur for their patience and dedication and extend best wishes for the '93 season.

The Sharon High School Varsity Football team started the season with only thirty five players, including new recruits. At the start of the first game against Medfield, coaches Phil Miller, Dave Kipley, Steve Fontes and Pat Sullivan were fielding the leagues remaining smallest team in number, but not in spirit. Strong showings and solid performances were demonstrated in games with North Attleboro, Canton, and Bishop Feehan.

Suddenly there was an outburst of support and football spirit, with 16 new recruits reporting to practice the day after the announcement. A decision to ratify the proposal was defeated at the School Committee by a 3-2 vote.

The team was back on the field for the final two games of the season. While there were no victories against their remaining opponents, the team felt that they had achieved a victory greater than any school title, and that was one of pride and respect.

This year's basketball team, although they traveled a tough road during their first few games, couldn't be stopped. Through consistent hard work, energy and dedication and with a "never say die" attitude from Coach Allman, they came through and won some dramatic games this season. Who could forget the game in which Captain Helene Rubin had 21 rebounds or the one when Kelly MacDougall stunned the Hockomock League with her smashing record-breaking 32 point production. All teams need players like senior Tenia Kniolek who dedicate themselves to boosting spirits, and who contribute to team cohesiveness. The freshman class gave the Eagles Lauren Santoli, an enthusiastic player who is accomplished in rebounding, defense and scoring. With all their hard work and team spirit, the season was one of constant improvement and growth.

boys' basketball

The boys' basketball team is off to a perfect start this year, with a 12-0 record! Under the leadership of Captains Scotty Elliot and Michael Kingsley, the boys are aiming for a strong showing in the State Tournament. With the direction provided by Coach Cronin and seniors Chris Kamp, Jon Lloyd, Jermaine Henderson, Mike Yutzy, Pete Rosen, Mark Meleger, Brian Zophin, Geoff Waller, Brad MacDonald and Thor VanVaerenewyck, the team is hoping for a possible repeat of their 1991 state championship. With all the school spirit at the games provided by cheerleaders and fans, the future is bright for the boys' basketball team.

Revealing . . .

The diversities in life, opening to the student new areas of pursuit, and paving the way for future development, extracurricular activities contribute greatly to the spirit of Sharon High. Elements of the curriculum have a dual function, as they not only lend themselves to further achievement on the part of the individual, but also as a unit, they strengthen the completeness of the school itself. Beneficial to all who participate in their programs, these organizations, which are as important to the student's well-being as are his studies, teach him the value of cooperation and leadership.

halloween

The Big East, the ten commandments, Tootsie Rolls, Macbeth, Little Caesar's, Blow Pops, and trolls were just a few of the many exciting costumes parading the halls on Halloween this year. That evening we danced the night away, cheered the prize winners, and reveled in the enthusiasm of the masquerade ball.

homecoming 1992

The Eagles faced the Mansfield Hornets Saturday, November 14th in the time-honored tradition of homecoming. Sharon's spirit pervaded the crisp autumn air as the Eagles gave it their all. Alanna Blankstein and Jeremy Steckel were chosen from the freshman class, Ashley Villani and Jason Doherty from the sophomores, and Marci Seronick and Todd Lieberman from the Junior class. The senior processional down the field consisted of Amy Bourne and Aaron Hertzel, Jacqui Finn and Jared Weiner, Tracy Foley and Eric Finer, Kati Gardos and Jeff Weingast, Amy Nichol and Geoff Waller. The senior king and queen were announced after the court was presented, and Kati Gardos and Jeff Weingast were proclaimed the winners.

Exploding with maroon and gold, the floats paraded around the field merited special distinction; the sophomore's float won first prize, with the senior's coming in a close second.

thanksgiving pep rally

This year's pep rally was the best ever! For a change of pace, the pep rally was held in the auditorium, where all the teams were recognized for their spirit and dedication to Sharon High School. The cheerleaders kept the energy level high with their upbeat dance, while the gymnastics team dazzled and the dancers (with their surprise guest) brought the whole auditorium to its feet. The senior class male cheerleaders and female football players were so entertaining that they were a spot on the Channel Five Nightly News. As the whole school cheered in unison for their team, the football players revved themselves up for their annual Thanksgiving day game against Oliver Ames. Go team!

Once Upon A Mattress

"I've always been SHY!!!" With these words, the fairy tale of "The Princess and the Pea" was adapted to the zany comedy "Once Upon a Mattress", the story of the outgoing Princess Winifred and the cowardly Prince Dauntless. Despite a conniving Queen, the Spanish Panic, and a Squawking nightingale, Princess Winifred stays awake and proves her royalty. So what if the mattress was stuffed with jousting equipment? With an energetic cast including a wizard, a minstrel and a mute king, "Once Upon a Mattress" was a great success, proving that, in the end, everyone does live happily ever after.

the miracle worker

After many rehearsals and much set work, "The Miracle Worker" was presented by the Drama Club on November 20 and 21. This true story of Helen Keller, a deaf-blind child, and Annie Sullivan, a teacher with an unending quest to teach Helen language, touched the hearts of all who saw it. After all of the dangerous, life-threatening rehearsals (especially the infamous "breakfast scene') the cast and crew were still sorry to see the show end. All who were involved with the show would like to thank Mrs. Dennis and Mrs. Rubinstein for teaching them, among other lessons, that one should always "KEEP GOING!" in the face of adversity. Congratulations to the Drama Club for a successful production.

Motivating . . .

With intelligence, dedication and understanding, our teachers have implanted within us the seeds of intellectual curiosity that have promoted our love for learning.

In the relationship we have shared with them, their enthusiasm has become ours, and our hopes have become theirs.

With patience and guidance, our educators have encouraged our aspirations and developed our abilities so that we are indeed able to fulfill the goals we have set for ourselves.

administration

The high quality of Sharon High School cannot be attributed soley to the enthusiastic student body, the excellent faculty and the modern facilities. Credit must also be given to those who effectively coordinate these elements. In their administrative capacities, the leaders of our school have established and maintained the fine reputation of Sharon High School. Throughout the years, they have initiated policies which have benefited the entire school community and yet they have never overlooked the importance of the individual.

Through new discoveries and new applications of old discoveries, science today is of great importance in helping man to understand the how and why of life. Through the efforts of the science teachers, students in Sharon can obtain a closer look into the causes and effects of the world which surrounds them. Through the expert guidance of the teachers, perhaps Sharon High will bring forth another gloria Deutsche or Rene Houde.
